

What's On In Landbeach - November 2018

The end of the *Great War* - what did it feel like? Like being told your cancer is cured? Like being told you've got the job/house/money you were longing for? For some people, did it perhaps feel rather flat after the first euphoria - did they miss the sense of purpose and unity that war gave the country?

Life obviously did not go back to being the same, with the increased expectations of men who had seen the wider world and of women who had successfully done a man's job. What would they have thought of #MeToo, global warming and Brexit?

They made their sacrifice for our future, so we are answerable to them. This photo of Landbeach man Percy Ferguson is by his grave on the Somme. What do YOU think of us, Percy?

Items for Dec are needed by Tues 20th Nov, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk.

Tithe Barn Trust awarded £12k

The Tithe Barn Trust is delighted to announce that we've been awarded grants of £6,000 from the Architectural Heritage Fund and another £6,000 in match funding by the Pilgrim Trust.

Gemma O'Shea, Chair of Trustees, says "This is fantastic news and means a lot to the Tithe Barn Trust, as we're a small charity and not-for-profit volunteer group committed to saving the unique Tithe Barn for everyone to enjoy. We're going to use these grants to appoint a Fundraiser and Business Case Developer. This essential funding will be the enabler we need to help us reach our target of £260,000 to restore the special Grade II Listed timber framed Tithe Barn. The public have been incredibly generous and donated over £60,000 already, but we still need to raise more. Our thanks to the Architectural Heritage Fund (AHF) and the Pilgrim Trust."
