

## **What's On In Landbeach - September 2019**

Two special church services are here on the front page in lieu of a picture, as they are on the first day of the month, so you need to notice them early. I really like Community Breakfast Church. I feel a bit guilty about this, as I am not sure that it is all that religious. But it *is* rather jolly, and this month it has a new dimension. Literally.

Oh dear, What's On has a rash of notices in boxes this month – typically terribly worthy items from local councils and organisations, many passed on by the Parish Council Clerk (thank you Maria!). Thrilling? No. But do read them – they could be relevant to your needs or interests.

For me, the year starts here, in the autumn. Refreshed from the summer, we can make new plans, to mature over the winter and come to fruition in the spring. So - what do you want? Why not make it happen? But please have fun doing it. Oddly, I get less serious as I get older. Nowadays, I think we should just have fun and not worry. Tra-la!
