What's On In Landbeach - February 2014

We had a mild Jan, with a few short cold spells, but some days as warm as spring. It rained frequently, with hail and fog at the end of the month, but still no snow. Sorry, rainfall figures in Mar issue (lack of space). There have been massive flocks of rooks and gulls on newly-sprouting fields, but this year I have not seen such large flocks of pigeons as usual - have you? Big clumps of snowdrops are flowering in the churchyard. Aconites and crocuses are out, and plum and forsythia blossom, flowering currant leaves and pussy willows almost so. Can you sense the feeling of expectancy in the air? Items for Mar needed by Th 20th Feb, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk
