What's On In Landbeach - June 2021

LANDBEACH CHURCHYARD

Hallowed place, where rest the faithful
Sheltered by the flowering trees !
People come to see their loved ones
Where we hope they rest in peace.
There are graves no longer cared for -
Relatives have passed away -
Other graves receive attention,
And there one can mourn and pray.

Aconites and snowdrops blossom
At the opening of the year.
Daffodils then take their places
Lifting hearts and bringing cheer.
Churchyards can be welcome havens
For the wildlife and the soul.
We can celebrate or grieve there
And the passing bell may toll.

‘Wild Minds' -
Free outdoor activities to support young people's wellbeing

For young people suffering low mood and anxiety.

https://www.miltoncountrypark.org/wildminds – teenagers can register (free) now.

Wild Minds is SCDC’s free programme of wellbeing activities to support 14- to 17-year-olds who are suffering mental-health issues such as anxiety and low mood, and/or to build self-esteem and confidence. The programme was set up over the last two years in response to the current context around the mental health of young people within the UK; NHS mental health services have experienced greatly increased referrals over the last 10 years with increased waiting times for specialist support and increasing thresholds to gain access. It offers:

Free outdoor activities at Milton Country Park (all equipment will be provided free too)
Group based activities including bush craft, survival skills, paddle boarding, yoga and mindfulness – no experience necessary

Sessions last an hour and a half, held each weekend for eight weeks
Support from both skilled instructors and youth workers.

The course has been developed by SCDC together with Cambridge Sport Lakes Trust and is supported by a Clinical Psychologist. The next eight-week course begins on Sun 6 June.

LANDBEACH PARISH COUNCIL

‘What’s On’ June 2021

East West Rail
East West Rail favour a Southern approach to Cambridge and there are very strong reasons for this. However, local group/s (Cambridge Approaches, CamBedRailRoad) are putting considerable pressure on EastWestRail to reconsider a Northern approach to Cambridge via Cambridge North. They are very well-funded and seem able to put a lot of time and money into pushing for their cause. We are extremely concerned about this as it would strongly impact Landbeach. It is very important that the northern villages have their say.
Please respond to this consultation which closes on 9 June. Go to https://eastwestrail.co.uk/consultation to do so.
The first question is the most important one.

Landbeach Traffic Plan
The Waterbeach New Town development will have an effect on traffic flowing through Landbeach. We have produced a draft proposal for how this might be mitigated. This is included as a separate A4 sheet.
Please give your feedback to the Clerk or any Parish Councillor.

Scams – Do be vigilant as there a lot of online/text scams going around. Also please do not leave garden tools out in the garden as there have been reports of them been stolen.

Recreation Ground – Wild Flowers and wildlife -The Recreation Ground has been roped off where the Wild Flower Group are creating a wild flower meadow, opposite the church. The meadow will be planted in Autumn 2021 and Spring 2022. In the meantime a soil test will be sent off so that planning on what preparation should be done can go ahead.

The Parish Council have agreed to put bird, bat boxes and log piles in the wood by the meadow. This will be led by a parishioner.

These projects will require long-term maintenance and will need participation from volunteers. Some volunteers have come forward, but a few more would be very welcome.

If you are interested in being a volunteer, please contact the Clerk by return.

Flooding – If you believe a main drainage ditch near you has been blocked or built over, please let the Parish Council know.

Deep water signs – Two deep water signs have been removed and thrown into the pond in the Recreation Ground. If you know who is doing this, please contact the Clerk.

CCTV in Village Hall – The Village Hall Committee will discuss this at their next meeting on 18 May 2021.

Covid-19

Vaccinations are going well, but there are still people who are not having it done.

Tree Work to the south of the bus shelter

We have asked our contractor to quote for tidying up the area to the south of the bus shelter.

Rural Exception Site, Landbeach

Cambridge Acre have sent Housing questionnaires to all households in Landbeach.

A10 Improvements
The safety improvements are ongoing.

Neighbourhood Plan for Landbeach
Two parishioners have agreed to produce a Village Plan. They are hoping to do some work on this in the Spring. If anyone else is interested in being involved, please let us know.

Waterbeach Neighbourhood Plan – this is currently in Consultation. To view the Neighbourhood Plan and its supporting documents, visit: www.scambs.gov.uk/WaterbeachNP.

Litter Pick – There will be a litter pick on 28 May starting at 5.30 at the Village Hall. Volunteers are needed so please come along. Equipment will be provided. There will also be a free drink in the Social Club if it is open by then.

Bee Hives – SCDC have confirmed that it is possible to control the amount of hives that the land owner has and has taken advice from the British Bee Keeping Association about the recommended amount of hives per acre. They would like complainants to report to them details of how the large number of hives are affecting them. Please contact Chloe.mappledoram@scambs.gov.uk

Alan Wyatt – Bench – The Angling Club have got a Memorial bench/seat to be erected with a plaque in memory of Alan Wyatt. In addition, the Parish Council and the Wyatt family have agreed that the Recreation Ground will be renamed 'Wyatt's Field', with a plaque attached to the fence by the Green End gate.

A provisional date of 16/17 July 2021 has been set to do this.

Little Library – The Church Porch is currently being used to house books in addition to the Food Cupboard.

Park and Ride – This has been temporarily suspended from 10 May. Buses have been reassigned to other routes where the demand greatly exceeds the socially-distanced supply. Hoped to re-open in June.
