What's On In Landbeach - August 2021

"I'm home!" What's On has recently been to North Wales and to Norfolk; both beautiful parts of the country, but how happy I was to find myself back in Landbeach, driving along the pleasant, tree-lined approach along Green End. And what a comforting sight was the mellow, jumbled stonework of our church tower – no two stones the same! We are very lucky to live in such a beautiful village with a strong community spirit. The plaque in the photo above commemorates a person who really cared about our village and fought to get us better facilities. The person in the photo below just looks pretty!

Items for Sep are needed by Fri 20th Aug, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

All Saints' Church hopes to resume normal services and activities in September. This includes Breakfast Church on Sunday 5 September, and also the launch of a Friends' Group to support All Saints' activities. If you know of anyone who needs support from the church, please tell us by contacting Jane Oakes **janemaryoakes@gmail.com**

Beaches Community Car Service [BCCS]

BCCS provides a voluntary transport service for Waterbeach, Landbeach, Milton, Horningsea, and Chittering.

We are URGENTLY in need of coordinators to assist with the scheme. The coordinator is vital to the efficient working of the scheme.

For coordinators the work involves a few hours a week, over a two week session, with 6 to 8 weeks* between sessions, taking calls or checking messages from clients, and finding an available driver. A mobile phone is provided, so no additional costs are involved.

We are also in need of additional volunteer drivers

For drivers, it involves responding to email requests from the duty coordinator who will have all of the details for a requested journey. You can respond as little or as often as you are able, or wish.

Please email Mike Dean [m.dean@ntlworld.com] if you are interested and would like further information without obligation.

**The more coordinators we have, the larger the gap between sessions!*

AgeUK Community Warden

Supporting people aged 60+ to live independently in their own homes.

COVID Community Champions award

https://www.lucyfrazer.org.uk/news/nominate-your-covid-community-champion

From Lucy Frazer MP:

People across our local area have gone above and beyond to help others during the pandemic, and to recognise their fantastic efforts I have launched a COVID Community Champions award.

From collecting medication and groceries, to looking out for elderly neighbours, or volunteering or supporting the NHS - there are many stories of support that have taken place across our local communities during the pandemic.

I am keen to highlight the significant efforts of those who have made a contribution during this tough time for our area and country.

If you would like to nominate a local individual to thank them for the work they have done across Cambridgeshire then please email me on lucy.frazer.mp@parliament.uk with:

Your name
Your address
Your email
Name and contact email of the individual you are nominating for the COVID Community Champion Award
One/two sentences on why you are nominating them

I will be announcing the winners in the autumn, and holding a special event in Parliament to recognise their hard work. I look forward to sharing their stories with you.

LANDBEACH PARISH COUNCIL

'What's On' August 2021

SCDC are embarking on a new project to build a new tourism website. The website will be called 'Visit South Cambs'. In Landbeach there are 22 Listed Buildings not counting milestones, including the Tithe Barn and two churches, local Nature Reserves, Bed and Breakfast, Landbeach Walk, Businesses and Emmaus.

The Parish Council will respond to the latest plans from U&C for the Mere Way Cycle Route outlining Parishioners concerns that were raised and Safety and Maintenance.

Landbeach Traffic Plan – This is under discussion.

East West Rail Consultation – Landbeach Parish Council and well-informed local residents have made strong responses relating to the unsuitability of a Northern approach to Cambridge.

GCP Better Public Transport – Waterbeach to Cambridge – 3 of the 4 original routes consulted on went on a route through allotments and some properties in Waterbeach. Due to strong objection and a petition signed by 1,600 people, these 3 routes were all modified. The Central route was modified significantly.

The new Central route, which GCP are proposing as a preferred option passes to the East of the Tithe Barn and many properties on Green End and High Street. It heads South then crosses the Mere Way to join the busway going into the Science Park etc.
The Other preferred route runs to the West of the Mere Way. Neither of the 2 preferred routes serve Waterbeach village very well. Landbeach Parish Council have objected to the Central route being put forward without due consultation.

Alan Wyatt – Bench – On 16 July an event was held to celebrate Alan Wyatt's contribution to the village. Daphne Wyatt and many members of his family were present. A Memorial bench/seat supplied by The Angling Club in memory of Alan Wyatt was in place and a plaque renaming the Recreation Ground 'Wyatt's Field' donated by the Parish Council was unveiled. The event was very well attended and visitors also enjoyed or a drink in the sunshine outside the Social Club.

Village Sign – This had been damaged by a car hitting it on 17 June. The Insurance Company have acknowledged the claim. The Parish Council has to get two quotes.

ECO Village – Cambridge Living Community (CLFC) are proposing to set up as a rural co-housing community project in Landbeach with the objective of co-sufficiency in food, energy, water and waste. The site is up Green End, near to Frith Fen Drove. Search online for 'Landbeach Eco Village' for more information.

Police advice: Keep your home secure in warm weather. Homes without basic security are 5x more like to be burgled than homes with security.

Security measures that can be taken:
Installing a visible burglar alarm
Having good outdoor lighting or motion sensor security lights
Locking doors, windows etc when you are out of the house
Keeping car keys out of sight
Keeping ladders and tools stored away

Report any suspicious activity to the police and alert neighbours.

New Mobile Warden – Due to a change in circumstances, our last Mobile Warden had to resign. A new Mobile Warden, Gill Bifield, has been appointed. Gill has 9 years' experience with Age UK and is quickly getting to know her service users. She could manage to support one or two more people. Please let Gill (07977 219403) know if this is of interest for you or a family member or speak to the Clerk or any Parish Councillor in confidence.

Cambridgeshire and Peterborough Combined Authority – If your Bus Pass is due to expire soon you can renew it online up to six weeks before it expires bit.ly/campborobuspass. This applies to bus passes issued before April 2021 by CCC and PCC.
