What's On In Landbeach - September 2021

What's On has been reading a novel set in 1951, in which people are eagerly anticipating the Festival of Britain, and looking forward to the future. After suffering a long period of hardship and loss, the characters are determined to use their abilities to build a better country. Remind you of now?

I am so impressed by the number of village activities that are resuming or starting anew. Thank you to all the volunteers who work so hard. The Landbeach Society in particular would love YOUR input at their AGM (see their announcement on p.3).

Congratulations in particular to our churches, who are putting on lot of events which are not "churchy" at all. Do go along and make use of these fantastic community buildings – you will not be preached at; nobody will try to convert you!

Our photo shows a welcome sight – the hemlock along Waterbeach Rd being cut at last. Thank you, Drainage Board!

Items for Oct are needed by Mon 20th Sep, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

Friends of Worts Meadow News

The posts for the temporary electric fencing around the main pond have now been removed until next season, but the fencing around the moat can now be completed and tested. The CCC flood risk and biodiversity team, who kindly sourced the equipment, sadly failed to provide all the components needed earlier in the year, but have now got everything! The cows have therefore continued (quite understandably) to munch the flowering rush and other delicacies and 'poach' the margins. The good news is that significant progress is being made (by the CCC team) towards plans and funding to re-profile and clear the moat and prevent winter flooding. If this does not happen before this winter then FOWM plan to use temporary sand bags to help stem the flow.

Mark Andrew White

The families of Clare White and Peter White
wish to thank all their friends
in and around Landbeach
for the cards of condolence
which were delivered to them recently
following the sudden and unexpected death of Mark.

These were much appreciated,
and it was extremely comforting confirmation of
the high esteem in which Mark was held.

Parish Council details

Clerk

The next Parish Council meeting will
be held on 6 September 2021 in the Village Hall.

LANDBEACH PARISH COUNCIL

‘What’s On’ September 2021

Rural Exception sites, Landbeach – Cambridgeshire Acre have confirmed that the survey did not reveal a significant need for housing within the parish of Landbeach. This has led Longhurst, the housing association proposing the development, to decide to not progress with a scheme in Landbeach and they will instead be looking at other locations in South Cambridgeshire.

Landbeach Traffic Plan – This is under discussion.

Urban and Civic – Mere Way Cycle connection between new town and Cambridge: further to the consultation various changes have been made and the final application is being pulled together and is due to be submitted by the end of August. The route should be suitable for pedestrians, cycles and equestrians and includes an attractive modern bridge over the A10. Landbeach Parish Council will continue to monitor and push for safety enhancements along Spalding’s Lane and Cockfen Lane and the blind corner at Cockfen Lane/Akeman Street.

Traffic through the village: Urban and Civic will be providing an independent consultant to evaluate and optimise traffic management solutions in Landbeach.

Police advice: Keep your home secure in warm weather. Homes without basic security are 5x more likely to be burgled than homes with security.

Security measures that can be taken:
Installing a visible burglar alarm
Having good outdoor lighting or motion sensor security lights
Locking doors, windows etc when you are out of the house
Keeping car keys out of sight
Keeping ladders and tools stored away

Report any suspicious activity to the police and alert neighbours.

New Mobile Warden The new Mobile Warden is Gill Bifield, who has 9 years experience with Age UK. She could manage to support one or two more people. Please let Gill (07977 219403) know if this is of interest for you or a family member or speak to the Clerk or any Parish Councillor in confidence.

Cambridgeshire and Peterborough Combined Authority – If your Bus Pass is due to expire soon you can renew it online up to six weeks before it expires at bit.ly/campborobuspass. This applies to bus passes issued before April 2021 by CCC and PCC.

Wild Flower Meadow – We are still looking for volunteers to help with the upkeep of this. Please contact the Clerk if you wish to volunteer.

Scams - There has been a big increase in scams during the pandemic. Average age of a scam victim is 75. If you have fallen victim to a scam, please make sure you report it to the Police. You may not always be able to get your money back, but you might be able to reduce the damage and take steps to stop it happening again – to you or other people.

From Gill Bifield, the new Community Warden:

Hello, my name is Gill Bifield, and I am the new Community Warden for Waterbeach, Landbeach and Chittering. I have been in post now for nearly 2 months and currently supporting a number of people within the villages so you may have seen me around. I have worked for Age UK Cambridgeshire and Peterborough for just over 5 years now in different teams so have a good knowledge and understanding of the services we provide. Throughout my career, I have always worked within Health and Social care and feel this is where my skills are especially as I get so much satisfaction out of supporting people and ensuring they have access to all they need. In my spare time I like to listen to audio books, upcycling items and spending time with my family and friends.

The Community Warden Scheme is provided through Age UK Cambridgeshire and Peterborough and helps people over 60 years to remain living at home as independent and safely as possible. As a Warden I will make daily contact, Mon to Fri either by a phone call or a visit. Some of the things I can help you with are shopping, prescription collection, making phone calls on your behalf, help to complete forms, liaise with other services, arrange home safety checks etc. as well as just having a chat with you and providing a listening ear. For all new referrals to the scheme, there is a 2-week FREE trial and afterwards there is a small weekly charge for this service.

If you would like more information or to refer a neighbour, relative or friend, please do give me a call on **07977219403**. If I do not answer, please leave your number and I will return your call promptly.
