What's On In Landbeach - October 2021

What's On has found it very soothing watching the progress of the work to lay the water main for Waterbeach New Town. If work continues at its present rate, I think it will be a town for the new millennium (that'll be the third millennium).

It was very exciting when so many blue water pipes appeared, but shouldn't they be IN the ground? Perhaps the workers are unsure which side of the massive trench to lay them – a trench more suited to a guided busway, don't you think?

The site where the pipeline crosses Waterbeach Rd is truly a quite charming still life, in the style of the paintings of Corot. Really, the navvies of the 18th and 19th centuries, who dug the canals and railways by hand, would have made speedier progress.

Do you like these fuchsia blooms? The originals are bright pink and purple, but I think the black and white image highlights their amazing structure. Isn't Nature clever? (In fact, a lot smarter than we are, I have concluded!)

Items for Nov are needed by Wed 20th Oct, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

NOW is your chance!

Job Vacancy

Landbeach Village Hall Trust are looking to employ a manager to oversee the daily running of the building, undertake administrative duties (including acting as secretary to the trust), deal with enquires and bookings and promote the Village Hall in order to gain more bookings and business.

This position would be based on 12 hours a week and will be reviewed regularly.

Please contact Julian Garratt (vhadvert@landbeachvillage.co.uk) for rate of pay and an application form to apply for this position.

Closing date for applications Friday 8th October.
Interviews will be held week commencing Monday 11th October.

Parish Council details

Clerk

landbeachparishcouncil@gmail.com

Telephone: 07724 047656

Please report any problems to the Clerk.
Please leave your contact details
and she will be happy to call/respond to messages.

The next Parish Council meeting will
be held on 4 October 2021 in the Village Hall.

LANDBEACH PARISH COUNCIL

‘What’s On’ October 2021

Landbeach Traffic Plan – This is under discussion. Dr Gambell has produced a document summarising the forthcoming and proposed new Travel Routes (cycle, bus, A10) which will affect Landbeach. **Please read this carefully and feedback any comments to the Parish Council.**

Urban and Civic – Parish Councillors met with an independent consultant provided by Urban&Civic and walked around the village so he could see the traffic issues. He will make suggestions for ‘Public Realm’ improvements and these suggestions will be put forward for discussion/approval by the village. One possible measure is to have a raised table at the crossroads, forcing all traffic to slow down in the centre of the village. Councillors also highlighted various other issues of concern such as speed at the church bends, safe parking for the church and narrow sections of the High Street. The Mere way cycle route is not directly part of his remit although we made him aware of our concerns. **Re. Mere Way** – Urban&Civic are contractually bound (District Council) to develop this cycle route before the occupation of the first dwelling. They are not keen to develop plans for the Parish Council’s preferred route which would be more expensive and possibly cause delay due to the need to purchase land from the landowner/s (County Council County Farms Estate and possibly a private landowner, depending on the exact route near the Cottenham turn). They say the route could be optimised later (but at whose expense?).

Please feedback any comments to the Parish Council.

Mobile Warden The Mobile Warden Gill Bifield, can manage to support one or two more people. Please let Gill (07977 219403) know if this is of interest for you or a family member or speak to the Clerk or any Parish Councillor in total confidence.

Wild Flower Meadow – The Bird and Bat Boxes have been put up. The soil sampling and maintenance has been carried out on the Meadow. Work is going to redistribute some topsoil (wild flowers like poor soil and the bunds need topsoil) and get it planted in the Autumn.

We are still looking for volunteers to help with the upkeep of this. Please contact the Clerk if you wish to volunteer.

Play Equipment – Several defects have been identified in the Play area. These will be looked into. The annual Play Equipment inspection will be carried out in October.

Milton Colts – They are playing regularly this season on the Recreation Ground.

Waterbeach Forum – The next Waterbeach Community Forum is a zoom webinar on 20 October 2021.

https://www.scambs.gov.uk/waterbeach-community-forum/ for details.

The Parish Council would like to thank Elaine/generous parishioners for litter picking.

From Cambridgeshire County Council

Could you be a foster carer?

Life as a foster carer is rewarding, and no two days are the same. With the continuing impacts of COVID being felt in all our communities, there has never been a better time to consider fostering as a career. So, if you want to make a real difference to children's and young people's lives, then Cambridgeshire County Council wants to hear from you. They are there to support you every step of the way; supporting you, and providing the best care for our most vulnerable children and young people. Becoming a foster carer normally takes four months, and the County Council offers generous allowances, round the clock support and a dedicated Social Worker. Find more information on the County Council's website,
https://www.cambridgeshire.gov.uk/residents/children-and-families/fostering-and-adoption
or contact their recruitment team on 0800 052 0078 or by email fostering@cambridgeshire.gov.uk

The Library Presents

Exciting arts events which will run from October to December 2021 in local libraries and online.

Full details of the programme, along with booking information, can be found at www.library.live/the-library-presents

From South Cambs District Council

Vaccinations for schoolchildren - aged 12 to 15 years old are now available. Vaccination clinics will be offered in schools; families are now receiving letters detailing when their child's school's clinics will be held. Alternative provision will be arranged for children who are home schooled, in secure services or in specialist mental health settings.

Booster jabs - To maintain the high level of protection through the coming winter, booster vaccines have started being offered from this week to those adults more at risk from serious disease (priority groups one to nine). All those eligible will be able to receive their booster dose six months after their second dose. The NHS will contact people directly.
