What's On In Landbeach - November 2021

It has been a beautiful October, with warm days, yet just enough of a chill in the air to make us aware that winter is on the way and soon it will be time to snuggle up somewhere cosy.

Lots of new ideas are coming to fruition in the village this month. The parish church is launching a Friends group (see p.9). Maybe you like the idea of getting involved with this awesome building but don't "do church"? Then could this be for you? The Launch Party is at the Pudding Evening on the 20th Nov – do come and find out more while eating yummy puddings.

One village organisation has gone – the Landbeach Society is dissolved – but another has started up. The Landbeach Village Network is trying to cover the same sort of ground, but in a way more suited to 21st century expectations. See p. 6.

Is flower arranging at All Saints' Church something you might enjoy doing? Then do be in touch with the team (see p.3). Here's a lovely flower arrangement, decorating the Baptist church for the Harvest Festival last month.

Items for Dec are needed by Sat 20th Nov, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

On Sunday 14th November at 10.50am

Announcements

Poppy Appeal

The Royal British Legion has recently decided to recommence door to door collections this year for their annual Poppy Appeal.

It would be helpful if we could have one more volunteer to help with the collection in Landbeach. Please contact Frank Batten, 01223 860038.

LANDBEACH SOCIETY

At a Special General Meeting held on 20 October the members unanimously voted to dissolve the Society. So after nearly 50 years this village organisation has closed.

The Society was formed in the early 1970s and over the years it has responded to planning proposals for developments in the village, and encouraged the restoration and maintenance of historic properties, particularly the Tithe Barn. However, the latter proved too great a burden and the responsibility was taken over recently by the Tithe Barn Trust with great success in restoring and promoting its use.

With falling numbers attending meetings, the Society has decided that it is no longer viable. Its archives will be donated to the Cambridgeshire Collection and the County Archives for safe keeping, and residual funds will be given to the Tithe Barn Trust.

The Landbeach Village Network #LandbeachVillageNetwork

is a new informal group (no membership needed) with the aim of fostering the village community. It will share information about the history of Landbeach, upcoming events and activities, and anything else that will help Landbeach carry on being a great place to live.

It's mainly online - find us on the village website, landbeach.org.uk (on the front page and under Groups) and the village Facebook page "Landbeach Community".

We also meet up at the Old Forge in the Village Hall on the third Thursday of each month from 7:30pm. Do come along on Thursday 18th Nov to meet your neighbours and to exchange ideas for the Network.

'Spend a Penny' campaign succeeds!

Thanks to a generous £17,819 grant from the Postcode Places Trust, a major anonymous personal gift and donations of all sizes from many other local supporters, the Tithe Barn Trust's 'Spend a Penny' campaign has hit its target! This paves the way for eco-friendly 'Kazubaloos' (and also cycle racks) to be installed at Landbeach's medieval tithe barn, greatly enhancing its value as a local community asset.

It is hoped to have these in place by May 2022, so watch this space for news of events next summer that will celebrate this major step forward and capitalise on these enhanced facilities.

Would you enjoy being part of the

Friends of All Saints' Landbeach?

Come along and find out at the

Launch Party

Sat 20th Nov 7.00 pm (at the Pudding Evening)

Here's your chance to help shape the community use of the church.

Have you seen our beautifully restored NW corner, with a servery and, of course, the perfect space for community gatherings? All brought about by the amazing generosity of the community.

Now our lovely, ancient parish church of All Saints' wants to encourage wider use of the church building. The Friends of All Saints' Church will:

- ✓ Gather ideas
- ✓ Coordinate with other village bodies
- ✓ Take the lead in encouraging more community events
- ✓ Fund-raise for even more improvement and restoration

Do please join us at the launch party, on Nov 20th, following the popular Pudding Evening in the church. You'll learn more about the building and its rich heritage, and you'll help to guide its development into the future.

See you there!

The next Parish Council meeting will
be held on 4 November 2021 in the Village Hall.

LANDBEACH PARISH COUNCIL

'What's On' November 2021

Urban and Civic – Planning applications are in for the new town end of the Mere Way cycle route, including a non-motorised user (NMU) bridge over the A10. The route through the village and down Akeman Street and Mere Way does not require planning permission as it comes under Highways. The Parish Council is still concerned about safety through the village. The British Horse Society Access Officer is also pushing for the safer route that avoids Spaldings and Cockfen Lanes.

We await feedback from the Independent Consultant re. proposed Public Realm enhancements with the village.

Mobile Warden The Mobile Warden Gill Bifield, (07977 219403) can manage to support one or two more people.

Wild Flower Meadow – Work in progress. Do volunteer to be involved!!

Play Equipment – We are looking for volunteers to clean the play equipment on 30 October 2021. If you would like to join the working party, please meet in the Village Hall car park at 10.30 a.m. Please bring a bucket and brush.

White car park markings – the white markings have been redone in the car park.

The Widows' Trust – At the Parish Council meeting on 4 October, Dr Gambell was re-elected as a Trustee for the Widows' Trust, as his term of office expired this year.

Parish Councillor – Mr Dave Grant has resigned from the Parish Council as he is moving out of the village. A vote of thanks is given to him for all his hard work during his time in office.

We are looking to co-opt another Councillor. If you are interested, please contact the Clerk.

Minibus – There is no call for the Minibus this year as people who used it before COVID have made alternative arrangements.

Village Sign – The Village Sign has been damaged when a car crashed into it. We are finding it difficult to get someone to repair it. If you are able to do this or know of anyone who could do it, please contact the Clerk.

'Addressing Climate Change in Cambridge and Peterborough'
There was an online webinar on 18 October and Councillors attended. Emissions in our area are 25% higher than the UK average and are falling more slowly. The Combined Authority has accepted recommendations made by the CPICC (Cambridge & Peterborough Independent Commission on Climate) and are having another look at the Local Transport Plan with an emphasis on Connectivity. Report due 2022. Contact The Clerk for more detailed notes (and links).

Waterbeach Community Forum – online webinar 20th October – This was attended by Councillors. There were short updates from all the key players. A point of interest for Landbeach was that the Greater Cambridge Partnership will be continuing to assess both options for the new high quality segregated Public Transport link. There will then be Public Engagement on BOTH the options before the Outline Business Case is prepared. Contact The Clerk for more detailed notes.

New Local Plan (to 2041) – Public Consultation will be from 1 November to 13 December. This is an important opportunity to have your say about future development of the region. Note: Policy BG/G1 (green infrastructure) in the draft proposals includes Landbeach in an area called North Cambridge Green Space – 'a green lung for North Cambridge'.
