What's On In Landbeach - June 2022

Landbeach salutes
H M Queen Elizabeth II
on the occasion of her
Platinum Jubilee

What's On is too much of a socialist to be a very keen royalist, but I admire someone who has served her country faithfully for 70 years - and without any career choice!

Let's also remember at this time all the other people who have served this country in that period, some of them to the extent of giving their lives. A country not without faults and failings, but one to which I am proud to belong.

Enjoy the celebrations!

Announcement from All Saints' Church

Augmentation of our ring of bells to six

All Saints' Church is pleased to announce its next project – to augment the fine ring of bells already in the church tower by adding another two bells, making six in all. This will hugely extend the repertoire that the Landbeach Bell Ringers are able to perform for church and community events.

The augmentation complements the church's previous investments in heating, a toilet, servery and wi-fi, which have enabled All Saints' to open its doors to many community uses. It's our latest vote of confidence in your parish church as the heart of your community!

One of the new bells will celebrate the Royal Platinum Jubilee. The other will be an *in memoriam* bell. Would you like to support this historic endeavour by a donation? Would you like your name, or the name of a loved one, to be associated with either bell? Please contact the bellringers to find out how this can be done (*Barbara Le Gallez, 01223 860283, blegallez@yahoo.co.uk).*

Would you like a go at bellringing yourself? Please ask *Barbara Le Gallez (contact details as above).*

The next Parish Council meeting will
be held on 6 June 2022 at 7.30pm in the Village Hall.

LANDBEACH PARISH COUNCIL

'What's On' June 2022

Landbeach Transport Plan – Public Realm Recommendations Andrew Cameron, Independent Consultant, hosted a Teams meeting on 26 April 2022. This was recorded/saved for those unable to attend and is accessible from the village website. This is an opportunity to see what measures might be taken to mitigate against speeding traffic and rat running and ensure we retain and enhance the heart of the village. There will soon be some funds available from Urban&Civic. Other funds will become available at a later stage of the Waterbeach development and there is a possibility of Government money as well. **Of course there will not be sufficient funds immediately for everything we might want so it is important to give feedback on which measures should be highest priority.**

First Aid – The First Aid Course planned had to be cancelled because of lack of support. It is hoped to arrange another one in the Autumn. The Parish Council will meet the cost. Please let the Clerk know if you are interested on 07724047656.

Urban and Civic – Mere Way cycle route: The latest plans are still being considered by CCC Highways (safety audit).

Mobile Warden - The Mobile Warden (07977 219403) can manage to support one or two more people.

Car Park - Councillors are considering ways of extending the Village Hall car park as it is not now big enough when the Coffee Morning and football are taking place on Saturdays. Also the Village Hall is being used more than it was.

Aggressive Dogs on Worts Meadow – It has been reported that there are dogs running loose on Worts Meadow who are behaving aggressively. **Please keep your dog under control.**

Caretaking - Our Maintenance Man is having a knee operation and will be out of action for about 2 months. We have found cover for this period.

Speeding – There are now traffic sensors set up at 106 High Street at the south end of the village. They are to count general traffic and also Waterbeach New Town related traffic in the village. This data will go to Cambridgeshire County Council who will be happy to provide some data to the Parish Council. If you see large lorries speeding through the village, please take their number and report it.

Hedges – Can you please cut your hedges so they do not overhang pavements. It is very difficult for pushchairs and mobility scooters.

Widows' Trust – We are looking at different ways of managing the funds from the Widows' Trust. This money will continue to be maintained for the benefit of Landbeach people in need, as set down in the Trust funds.

Queen's Platinum Jubilee – This will take place over the long weekend Thursday 2nd to Sunday 5th June 2022. There will be plenty to enjoy including a BBQ, beacon lighting, flower displays, bell ringing and a Sunday bring your own picnic event.

Transport – If there are any parishioners who need transport, they should contact the Clerk on 07724047656. Dial-A-Ride can provide a Minibus to take people to Tesco on a Tuesday morning. The Parish Council will subsidise a 2-week trial to see if people want to use it. The cost is £55. Parishioners would have to pay £3/week towards this.

Wild Flower Meadow - On 9 May, 3 volunteers helped with strimming around the edge of the meadow, identifying plants, clearing wood, litter pick and weeding. There will be another clear up on 11 June including cleaning the pond. **Please help! Many hands make light work.**

Working in partnership with Anglian Water to help vulnerable parishioners – As the cost of living crisis is affecting many parishioners, it is more important than ever that people who need help paying their bills are being supported. If this is you, please contact partnerships@anglianwater.co.uk, complete an online Form or call 07971579839. To find out more from Anglian Water about Extra Care Support and Priority Services available.

Village Sign – This will be repaired in July.
