What's On In Landbeach - September 2022

The end of August brought welcome rain. An early morning thunderstorm, followed by sustained rainfall, produced 19mm in 12 hours. This was the first heavy rain since early June, since when we had only had about 14mm.

We seem to have acquired a Mediterranean climate, and apparently East Anglia now has the ideal weather to produce Champagne. Sounds eminently liveable-with!

Seriously, though, humans survive because they adapt, and we shall need to adapt our lifestyles to cope. And to help Nature to cope – how the birds and animals have suffered, and what loss of insects and plants there has been!

Quirky visitors to a Landbeach landmark – where and when?

Items for October are needed by Tu 20th Sep, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

LANDBEACH PARISH COUNCIL

'What's On' September 2022

Landbeach Transport Plan – Public Realm Recommendations We need to know what people feel are the most important measures so we can prioritise once funds become available.

Urban and Civic – Mere Way cycle route: The latest plans are still being considered by CCC Highways (safety audit).

Mobile Warden The Mobile Warden (07977 219403) can manage to support one or two more people.

Car Park - Councillors are considering ways of extending the Village Hall car park as it is not now big enough when the Coffee Morning and football are taking place on Saturdays. Also the Village Hall is being used more than it was. Please send your comments to the Clerk.

Village Sign – The base which was damaged in an accident has been repaired. The sign itself needs restoration and repainting with a more enduring paint; this work will shortly be undertaken by a sign writer. It is likely to be several weeks before the work is complete.

East West Rail - All correspondence in relation to this is talking about a Southern approach to Cambridge. However, there is a strong lobby from those potentially affected to re-examine a northern route. It is important to be alert to any unfavourable (and undemocratic) decision making. The Haslingfield drop-in event has been postponed until September.

The Drainage Board - will be carrying out work on Waterbeach Road.

Surface Dressing - Both Waterbeach Road and High Street are due to have new Surface Dressing. This will be some time after 1 September and will involve road closures.

Traffic - Concern has been raised about all the heavy vehicles coming through the village. This is because of the A10 being closed.

Cost of living crisis – Age UK are giving extra funding available for the over 65s. See below:
