Warm Hub NOW OPEN at All Saints' Church

Wednesdays, 11.30am - 4.30pm

Warm Hubs are designed to support residents this winter. Run within existing community spaces, they are safe, warm and friendly environments that local residents can visit to enjoy refreshments and social activity, obtain information and advice, and share the company of others. The network of Warm Hubs is community-led; coordinated and hosted by trained volunteers, within the heart of local communities.

The Hub is a collaboration between South and East Cambs District Councils, with funding from the local NHS Integrated Care System. The project is being delivered by charity Cambridgeshire Acre.
