LANDBEACH VILLAGE HALL

Charity Registration No: 203793

Sincere thanks to everyone who attended and supported the Village Halls 75th Birthday Celebrations and opening of the" Village Hall Improvement Project" on Saturday July 23trd 2011.

The Build Improvements have taken four years of planning and securing funds, our funders Landbeach Lynn Legacy Fund, WREN, Donarbon, South Cambs Community Fund, Garfield Weston Foundation, Landbeach Parish Council, individual family donations, the Village Hall Improvement Fund contributed £9,000 of fundraising money towards the project, this money was donated from you though fundraising events held at the Hall, thank you.

Thank you for the many photographs loaned for displays these helped us reminisce and note the tremendous amount of work and time given to Landbeach Village Hall from the many committees set up spanning 75 years, some organisations still continuing to function today.

Thanks for the plentiful mouth watering cakes donated, and the enthusiastic team of helpers who prepared refreshments, served and cleared away on the day under the guidance of Gill Diver and Anne Hinkins, and other committee members, without this tremendous support the Village Hall Committees work would have increased twenty fold! Grateful thanks to "Waterbeach Brass Band" who entertained the Village for the afternoon, also other resources kindly loaned for the day, chairs, display boards, extra crockery, a tent. My thanks to our photographers Tracey and Clive Brown, our guests and speakers all in all adding to an enjoyable afternoon for the 200 plus residents who came along and supported the work of the Village Hall Management Committee thank you.

What Would We Do Without The Village Hall? Its survived 75 years with many changes long may it continue to serve the community with your continued support it will!

Thank you
