The Tithe Barn Trust's mission is 'Ensuring the long-term survival of the rare and ancient Tithe Barn, by breathing new life into the site, for everyone to enjoy.'

Why is the Tithe Barn so special?

Tithe Barns are increasingly rare in the UK and this is one of just a handful of buildings of its type remaining in Cambridgeshire. Ours is unique with so many historic features such as a thatched roof, elm timber frame, timber granary and brick threshing floor.

Experts believe the barn may well date to the medieval period.

The Tithe Barn Trust is a small charity and receives no government funding. It costs £19 per day to run and maintain the listed Tithe Barn.

We need your help to continue. Become a Friend of the Tithe Barn Trust today.
